A \$1.00 per ton tipping fee surcharge has been included in all of the Solid Waste Management Facility's fee waste disposal rates to fund a Capital Property Acquisition Fund.

Wastes not specifically covered by this fee schedule shall be permitted to be placed in the Town of Colonie Sanitary Landfill or the Town of Colonie Solid Waste Management Facility at a rate to be determined by the Supervisor of the Town of Colonie, upon discussion with the Director of Environmental Services Division of the Department of Public Works. Nothing herein, however, shall be construed to allow the disposal of any waste not permitted pursuant to the permits applicable to such facilities. Any documents pertinent to obtaining such wastes, or the placement thereof, may be executed by the Supervisor or the Director of Environmental Services, if the Supervisor so designates.

The Town may provide a roll off container per year for not-for-profit special events, public benefit cleanup projects use at no charge.

The Town will accept for reuse and may provide Styrofoam packaging materials to Recycling Facility Customers on a first come-first serve basis at no charge.

Hard covered books and household batteries are not designated as recyclable materials and shall be disposed of as wastes effective 1/1/2010.
