

WELCOME TO THE COLONIE MOHAWK RIVER PARK

RULES

- **LEAVE NO TRACE** - visit LNT.org for more info
- No unauthorized motor vehicles
- No firearms or hunting
- No fires
- No glass
- Stay on marked trails
- Pets on leash at all times

Use trails when dry or frozen. Using muddy trails wrecks the trail. It leaves ruts, contributes to erosion, and creates an unusable trail that is difficult to repair. If you are leaving a visible track, the trail is too muddy to use. If you do encounter a muddy area, go through it, not around it.
