

Hi Colonie Senior Citizens, Here is Our List of Events© as of 3/4/05 from the Colonie Senior Clubs

PLEASE READ FIRST: We have included bus trips, picnics, holiday and anniversary parties. Most Clubs start selling tickets at their regular monthly business meetings. You are welcome at those meetings. Some sell only a few events at a time even though they are listed here.

Please call the Contact Person listed for information or reservations. They are in charge of the event and decide when to sell tickets, seating, and other details of the event. If you are handicapped, please inform the Contact Person when signing up for a event. You will be accommodated to the extent possible.

If you are a Paid Resident Member of at least one of the Town funded Clubs you may participate in any of the Town funded events listed. If you are a Paid Social Member, you will be put on a waiting list until all Paid Resident Members are included. You will be contacted when that happens and may be expected to pay an additional cost over the one listed.

Enjoy yourself. You are with friends, your fellow Colonie Senior Citizens !! , Your Contact Persons
