### *Colonie Town Supervisor Peter G. Crummey Announces the Launch of an Online Citizens' Portal to Access the Town of Colonie's Park System*

Colonie Town Supervisor Peter G. Crummey and Parks staff member Tara Booker testing the new online system at the Town's Parks and Recreation Department.

COLONIE, NY -- Colonie Town Supervisor, Peter G. Crummey, announces the launch of an online citizens' portal to access the Town of Colonie's Park System to go live on **Friday, March 22 at 9am**. An online Parks Portal account will be needed to access all the activities and services that the Town of Colonie Parks and Recreation department has to offer, including, enrolling in activities, reserving rental spaces and athletic fields and obtaining pool passes.

In addition, another fabulous feature with this upgrade is the key fob system for Town residents. This key fob will be used as a gate pass for parking access and a pool pass as well as utilizing it to make purchases at the pool concession stands when a credit card is linked to the account. This advanced program will make all financial transactions cashless henceforth in our Park System.

Colonie Town Supervisor Peter G. Crummey stated, “This advancement for our Town Parks will provide a more efficient and convenient gateway for our residents to more readily access all that our parks have to offer as well as streamline operations within our parks system.”

Supervisor Crummey also noted that the Town maintains more than 1100 acres of land for recreation including 13 pocket parks, sports complexes and our largest parks which include The Crossings, the Colonie Mohawk River Park and Pool Complex and our 36 hole golf course.

A Parks Portal account can be created online or one will be generated for you when you visit us in-person at our main Parks office at the Colonie Mohawk River Park. Once proof of residency is provided, you will be able to enjoy the discounted rates for all Town facilities and after more than 50 years, free entry at the Colonie Mohawk River Park. For more information and to register, please visit [Parks and Recreation](#).
