

SUMMER ENRICHMENT PROGRAM UPDATE FOR 2018

Due to construction occurring in the North Colonie School District, the school district cannot accommodate the Town of Colonie Summer Enrichment program. The Town of Colonie will be offering a reduced program to include children's golf and tennis.

Both program brochures will be listed on this website shortly.

Feel free to contact the Town of Colonie golf course at (528) 374-4181 for further information.

Any questions with respect to the Tennis program, feel free to call Parks and Recreation at (518) 783-2760.
