

Invasive Species Walk and Talk

Monday July 26th

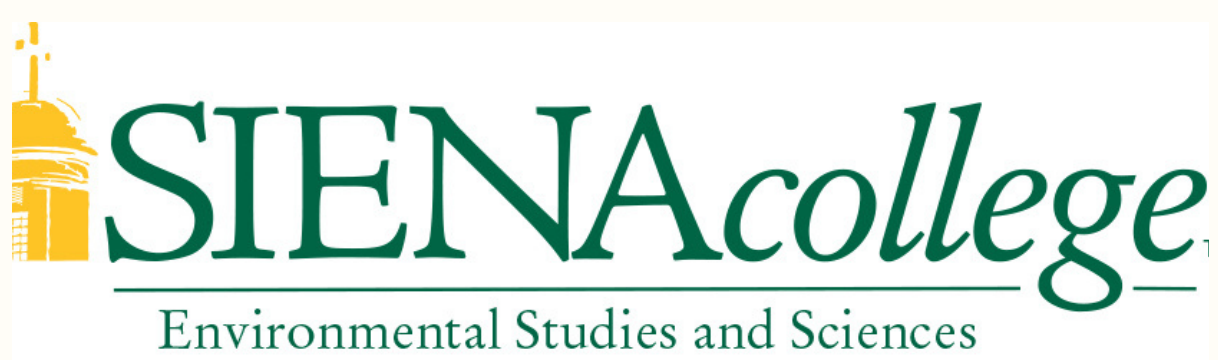

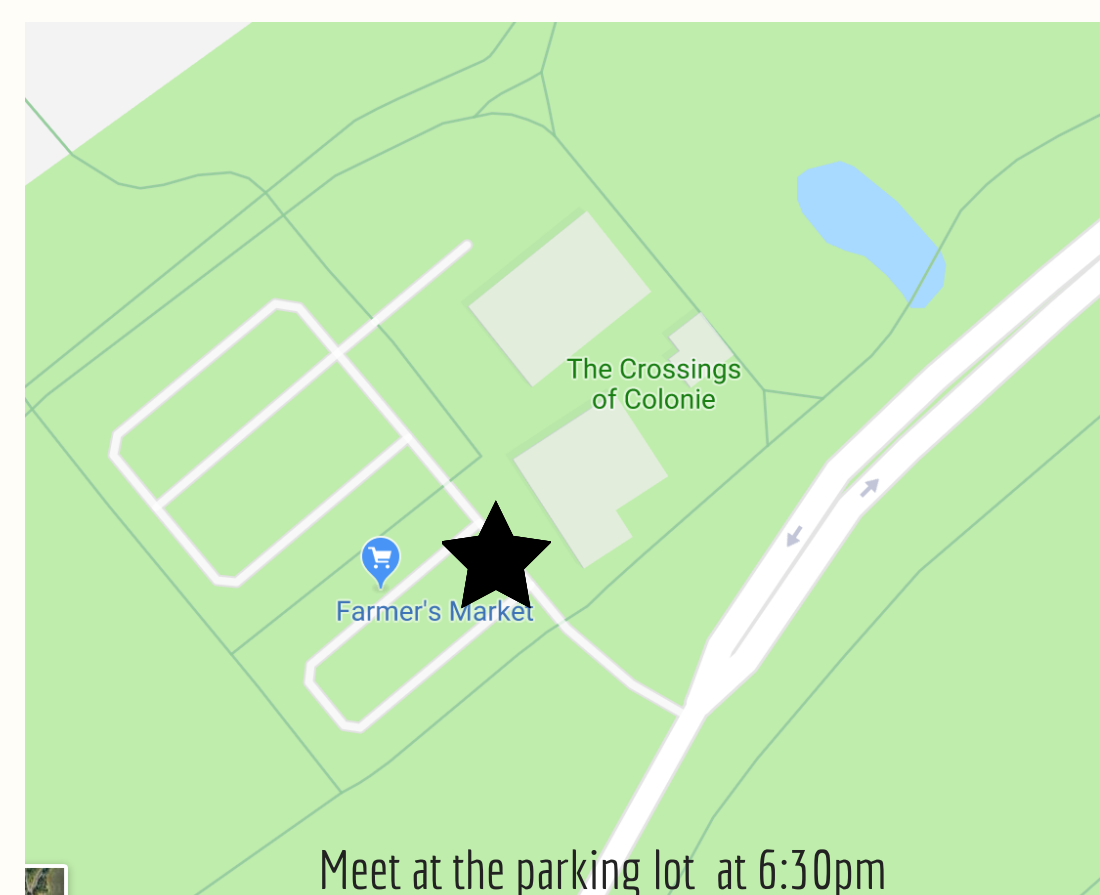

6:30pm- 7:30pm

@ The Crossings

580 Albany Shaker Rd, Loudonville,
NY 12211

Come join Siena College's Invasive
Species Research Team for an
interpretive walk!

Find out about invasive species
and how to identify them. Learn
about how they are harmful to the
environment and what you can do
to help!
