

Crossings Playground Temporarily Closed for Necessary Repairs

The playground at The Crossings is temporarily closed due to necessary repairs. We have other playgrounds available at the West Albany Pocket Park and the Colonie Mohawk River Park (Town Park). The parking fee at the Colonie Mohawk River Park will be waived for those wishing to use only the playground while the Crossings playground is being repaired. For those visiting The Crossings while the repairs are being done, the picnic tables and fields are still open for use. We are hoping the repairs will be done by next week and are sorry for the inconvenience.
